

Evan's Box is a box filled with handmade items such as blankets, hats, wraps, and other keepsakes for angel babies born between 12 and 22 weeks. Angel babies can then have something cozy and just their size to rest in, and the grieving families can have a beautiful keepsake. Because every baby, no matter how small, deserves to be cozy, warm, and loved.

Evan's Box was created in loving memory of Evan James Chrysler,
born at 13 weeks November 8, 2023.
